The gallery page is now just the photos: no title, captions or buttons. It shows 60 of the 83 photos in a shuffled order; near-duplicates and weaker shots were dropped. The full list is in /workspace/zisel/selected/gallery60.json. The photo files for all 83 are still in photos/.

Oct 14, 2026 footer revision

The footer is now six centered lines: ZISEL JEWELRY / Wholesale Diamond & Fine Jewelry / Viewing by appointment only / Jonathan Shulkin / Call/Text 725.254.6937 (tap to call) / Las Vegas, NV. The Invite and Main website links were removed, per the client.

Oct 14, 2026 copy update

"Viewing by appointment only" replaces "Book now · appointment only"; "Sample gallery of extensive inventory" replaces the old gallery line; tagline is "Wholesale Diamond & Fine Jewelry". The gallery header (and the main site gallery intro) reads "Sample gallery of extensive wholesale diamond & fine jewelry inventory".
