Logo update

New logo files in `brand/` use a shiny metallic gold frame: `logo_zisel_gold-frame_primary.png` (navy), `logo_zisel_gold-frame_horizontal.png` (white), `logo_zisel_monogram-seal.png` (round Z seal), `card_invite_gold-frame_1080.png`. The previous concepts, stickers, flyer and card are kept in `brand/archive/`.

- Oct 14, 2026: per the client, the Star of David (z076) and cross (z080) photos on the invite page and PDF were replaced with diamond rings (z024) and mixed diamond bracelets (z065), chosen by the client.
